

DETERMINATION OF SIGNIFICANCE
AND REQUEST FOR COMMENTS ON SCOPE OF EIS

Description of proposal Washington State Department of Agriculture Citrus Longhorned Beetle Eradication Project

Proponent Washington State Department of Agriculture

Location of proposal Tukwila, Washington

Lead agency Washington State Department of Agriculture

EIS Required. The lead agency has determined this proposal is likely to have a significant adverse impact on the environment. An environmental impact statement (EIS) is required under RCW 43.21C.030 (2)(c). An environmental checklist or other materials indicating likely environmental impacts can be reviewed at our offices.

The lead agency has identified the following areas for discussion in the EIS:

Scoping. Agencies, affected tribes, and members of the public are invited to comment on the scope of the EIS. You may comment on alternatives, mitigation measures, probable significant adverse impacts, and licenses or other approvals that may be required. The method and deadline for giving us your comments is:
